Welcome and membership registration

Welcome to Engleman Elementary PTO! Below is a list of current PTO committees and a PTO membership form. Please consider signing up for a committee. Once done your name will be given to the committee chair for contacting. We also offer the opportunity to be called on as needed. We will try our best to contact everyone who signs up on the CAN (call as needed) list. However, if you really want to be a part of the PTO action, the best way is to ensure that is to check the committee of your choice. Come join us!

Take the Parent Involvement Pledge:

As a parent I pledge that, to the best of my ability, I will show my child that I value education, encourage my child to be a reader, talk to my child about his/her school work, visit the school and talk with the principal, teachers and staff, participate in classroom/school activities, and become actively involved in the decision-making process.

I pledge to become involved and stay involved, for education is the key to success and is one of the greatest gifts I can give my child.
