

ISLANDER ATHLETIC BOOSTER CLUB

The Islander Athletic Booster Club board cordially welcomes you to the 2020-21 sports season. The booster club was formed to bring together individuals interested in providing support and financial assistance for the athletic programs at Grand Island Senior High. We encourage all Islander fans, parents and faculty to actively support our student athletes by becoming a booster club member.

Last year, the booster club donated more than \$40,000 toward the purchase of equipment for the various sports teams, training room and weight room. We also provide support to the Islander dance and cheer squads, plus have the ability to assist with funding GIPS middle school athletics.

Membership fees are \$10 per family annually or \$100 for a lifetime membership. The lifetime membership does not include free admission to home games, but season passes are available for purchase via the GISHS activities office. To join, simply complete the form below and along with your check, drop it off at any of the offices at Grand Island Senior High School.

Thank you in advance for your support of Islander Athletics!

I would like to help with:

Islander Luau ____ **Hoops Mania** ____ **Husker Harvest Days concessions** ____

Islander Luau: This new fundraiser for the booster club is scheduled to take place in May. We need help with setup, cleanup and serving at the event.

Hoops Mania: Our youth basketball tournament in January is our largest fundraiser and we need help with running the clocks, checking the teams in, supervising gyms, running the concession stands and admissions.

Husker Harvest Days: We need help working in the concession stand for three days in September. Any shift you can work would be greatly appreciated.
