## Scholarship Special Requirements or Preferences

Many of our Grand Island Public Schools Foundation Scholarships have special requirements or preferences. Reviewers will consider these requirements or preferences when making scholarship recommendations. When completing the Online Scholarship Application, it is recommended the student keep the following statements in mind when writing your Personal Narrative, Personal and Career Goals, and Financial Plan which are all found on the **“Tell Us About You”** page. Reviewers will also look closely through the **“Tell Us About Your Work Experience”** and **“Tell Us About Your Extracurricular Activities”** pages. Consider carefully whom you will ask to be your References. The questions references are asked to complete are designed to give insights to a Reviewer. Students will be able to view the reference form, but not the information entered. A great resource to see the requirements and preferences for scholarships is the Online Scholarship Booklet or [www.gips.org/foundation/scholarships/scholarship-guidelines](http://www.gips.org/foundation/scholarships/scholarship-guidelines).
