

How do I create multiple grant requests?

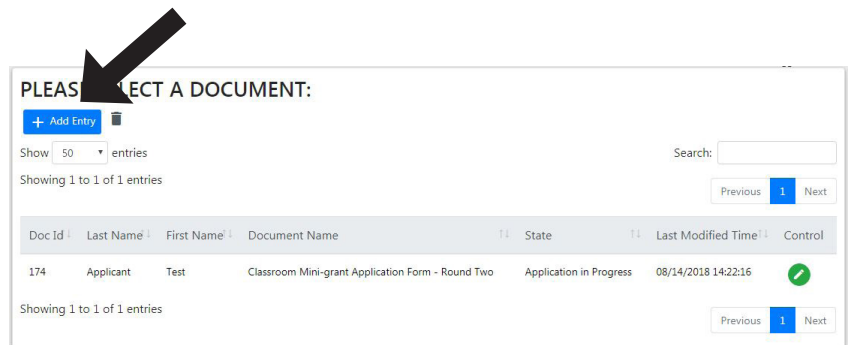

NOTE: Only applicants with a @gips.org email address are eligible for grants.

Maximum of 5 grant requests per round:

After you have created an account and started/completed the grant application, you can create additional grant applications to be considered during the same grant round. The maximum number of grant requests per round is five. **All grant applications can be created with one user account.**

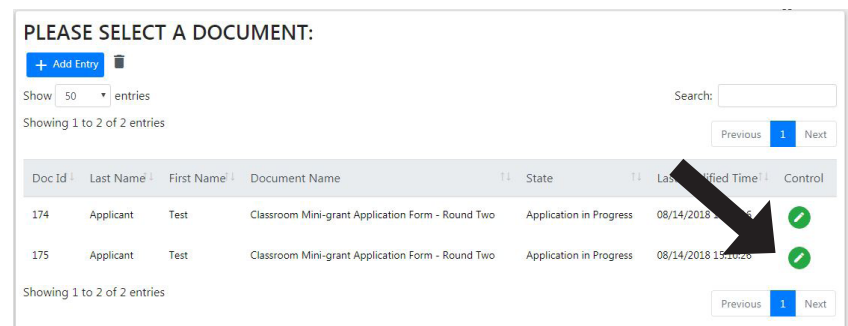

Create a new grant application:

Log into the grant application. To create another grant request click on the Add Entry icon.

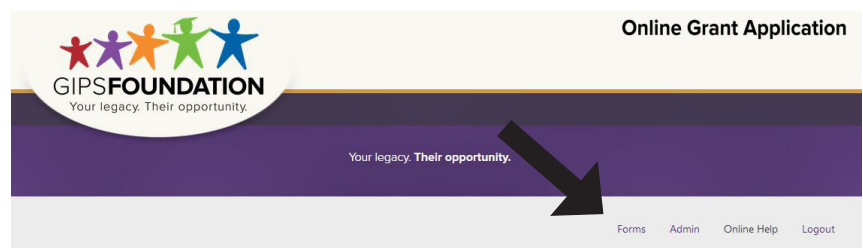

Open grant application:

Click on the pencil to open a grant application.

View list of grant applications:

Click on Forms in the top grey box. This will navigate back to your list of applications. Click on the pencil next to the application you want to work on.
