8450.1 Administrative Guidelines for 8450

The following is a table describing possible offenses, legal and policy references, and a range of possible consequences. This information should be used as guidance in making decisions with regard to disciplinary actions. This list is not all inclusive and infractions that are indicated might be interpreted in a wide variety of ways. The goal of the table is to provide a measure of consistency in application of consequences from incident to incident and from administrator to administrator. Each infraction carries a minimal consequence for a first and/or minor infractions. The maximal consequence should be applied only when the severity or frequency of the infraction warrant such application. All behavior incidents must be documented and coded appropriately in the GIPS student information system. All schools in GIPS will follow the GIPS Threat Assessment Guidance and Protocols. Further guidance may be provided by referring to Grand Island School Board Policies 8453–*Student Suspension, Expulsion, and Mandatory Reassignment* and 8470–*Weapons in School*.
